## **SEATS IN NEW SUBWAY** CURVED, THIN OR THICK

Comfort for "Average New Yorker" Assured After Long Study by Posture League.

Sents in the cars in the new outway will accommodate with equal case persons with curved backs and with square ones, the Ameri-

For a year the league, which has been at work on the problem with the car construction engineers of the Brooklyn Rapid Transit Company, and has taken measurements of hundreds of persons in street clothing.

Many models were made to adapt these specifications to the space reuirements of the car. In some o these models a quarter of an inch difference in a measurement to suit one purpose would throw the entire scheme out of adjustment, and the

scheme out of adjustment, and the whole problem would have to be worked out again.

The result is that a seat has been decided on, it is claimed, in which a person who cannot sit comfortably can be sure that he or she is not of average New York build.

The American Posture League was formed to do educational and scientific work in the posture of Americans and to correct and improve present conditions. Jessie H. Bancesti, director of physical training in the public schools, is President; Dr. Frederick R. Green of Chicago, First Vice-President; Dr. J. E. Goldthwalt of Beston, Second Vice-President, and Dr. Heary L. Taylor of the Post-Graduate Hospital, Secretary.

VALE HONOR MAN A SUICIDE.

We will all the priests thought I would not live. Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good, so I told my husband without a situation, who broaded over his predicament and what his college classmates might think of him because he had no employment, shot himself to death to-day at his home in Brunston.

"My son broaded because he had not him because he had no employment, shot himself to death to-day at his home in Brunston.

"My son broaded because he had not his standing in college," said his father, Edwin L. Harpham, a lawyer. NOW A CLEAN STREET SHOW.

Commissioner Fetherston Plane One With Prized for Children.

In the hope of awakening New Yorkers to the need of taking a more general interest in clean streets, Com-missioner John T. Fetheraton is pre-paring an exhibition of street cleaning appliances and methods to be held at the First Field Artillery Armory, Broadway and Sixty-eighth street, during the

week of Nov. 23.

A feature will be a poster-drawing contest for public school children, in which twenty-seven prises will be awarded to high school pupils and twenty-seven to pupils in the element-ary schools.

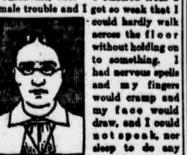

twenty-seven to pupils in the elementary schools.

The drawings must be submitted befere Nov. 21 and will be Judged by
President Churchill of the Beard of
Education; President Alexander of the
National Academy of Design, and President Adams of the National Sculpture
Society. They will be exhibited in the
armory.
